

Using Phonics Skills for Writing

Home Learning Challenges

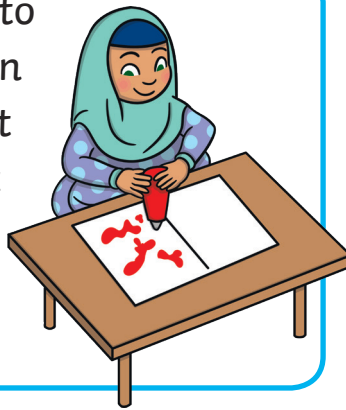

Use your phonic skills to help your grown-up write a shopping list.

Spread out big pieces of paper with letters written on them on the floor. Your grown-up can say a simple word and you can jump on and say the letters that make that word.

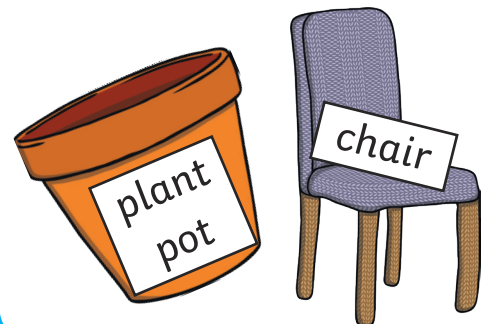

Use your phonics skills to make a poster to display in your bedroom window. It could show who you want to say thank you to or it could be a special message you would like to share.

Spread a layer of sand, flour or uncooked rice into the base of a tray. Ask a grown-up to say a word, then use your finger or a paintbrush to write the word into the sand. Try writing these words: sun, box, tap, coat, moon.

Make a collection of objects from around your house. Can you write labels for each object on small pieces of paper?

Write some letters on small pieces of paper or sticky notes. Can you build words with the letters?
